As to upcoming tasks:

1. Fern will review the web page and make a list of proposed updates to be further reviewed by the BOD.
2. Fern and Bob offered to coordinate recruitment of volunteers to work at the table before games. They will create a sign-up sheet to be distributed by Bill.
3. Bill will ask Ruth to handle name tags.
4. After discussion of whether we could implement some type of electronic payment system, Bill offered to look into the options with the BCC bank. Fern will check with Men's Tennis Boosters as to their process.
5. Regarding a shirt for the upcoming season, Bill will talk to the vendor about color options that will work with our logo.
6. Regarding early season events, Bill will speak to Serena about possible dates for a meet-the-team dinner and with Bill Belotte about coordinating events with the boosters for men's basketball.
7. Regarding an away game bus trip, Bill will send another email to gauge interest in a trip to the FSU game. Initial response was minimal.
8. Regarding away game watch parties, Bill will look at the schedule to see when our best options are based on TV coverage.

Additional items discussed:

It was decided that we would offer last year's shirt for sale at the table for \$10. If we move forward with the new long-sleeve shirt, based on the current quote we would offer that for \$15.

It was also decided that we would wait to send out the membership application letter for the coming year until we have a date for the meet-the-team dinner and a final decision on the shirt.
