WRAP UP: WINTER POTLUCK

There were over 100 of us at this year's winter potluck; our biggest one yet! Every wish dish from the team was there; no one went without their favorite. Once again, Janna Magette provided the entertainment for the evening with Heads Up. You had to be there; it's like an electronic charade! Check out more pics on our website.

CLUB TALK

What about those big heads we see in the stands?!

You first saw the "Big Heads" several years ago. It is a way the BCC honors the seniors on the team. They are presented to the senior during the End of Year Banquet. Last year we included smaller heads of the other team members.

Fans are invited to pick up the head of their favorite player (no comments, I got a million of em!) at the BCC table and hold it during the game. All we ask is that you take care of it and return it to the BCC table after the game.

Send me your Club Talk questions or thoughts.
